## ABOUT THE SHOW

=====

V The Ultimate Variety Show is a combination of the “Best of the Best” award-winning variety acts from around the world, including **MAGICIAN Jason Byrne**, winner of the Golden Lion's Head Award presented by master illusionists Siegfried and Roy. He was voted “Stage Magician of the Year” by The Academy of Magical Arts two years in a row.

Joining this ingenious collection of specialty acts is **ventriloquist Ronn Lucas** who has been entertaining fans for more than a decade and has performed for former U.S. Presidents as well as the Queen of England. Lucas mixes stand-up comedy, improvisation, audience interaction and astonishing voice gymnastics to delight fans worldwide.

This fast-paced, high energy show will also feature the amazing vocals of 16 year old **Bianca Ryan** who won the debut season of NBC's America's Got Talent at age 11 and released her first album at age 12!

World-class adagio team **Pasha & Aliona** are masters of dance, acrobatics and the art of illusion. This couple has trained and performed in the most prestigious companies such as Bolshoi Ballet and Moiseyev State Academic Dance Company in Moscow.

Rounding out the extraordinary cast of V The Ultimate Variety Show is **host Michael Holly**. Holly has starred in world-famous revues such as Spellbound and Follies Bergere and has been a favorite Las Vegas entertainer for 18 years performing juggling, magic, mentalism, music, tight wire-walking and of course comedy!

Audience members describe V The Ultimate Variety Show as combining all of the shows on the Las Vegas Strip into one. E! Entertainment calls it the perfect show for the entire family! This is your chance to experience raw talent and skill you won't see at any other venue in Atlantic City - a show that has been captivating sell-out crowds in Vegas for years.
